EASTERN ILLINOIS UNIVERSITY

Office of the President

TO Pres Doudna
Vice President Moody DATE March 25, 1970

Normally, I do not read the curriculum committee minutes with any care as they come from the various academic units. I do note, however, a proposal dated March 19 from the College of Letters and Science relative to two new courses in Afro-American History. If these are approved, will it not result in the more or less automatic deletion of the present course?

Dr. Moody -

L & S should have done this. Since we didn't, I suggest
CAA approve 381, 382 with the provision that 380 be deleted.
